## IMPORTANT INFORMATION TO LEARNERS

You have accepted your enrolment offer. However, in order to secure your place you will need to pay your Student Fee, the Concession fee or have your fee exemption approved. Failure to do this may result in your position being offered to another applicant.

You can pay your Student Fee in full or by instalments, as identified on this Fee Statement.  
The Concession fee will normally be paid in full, however if a payment instalment option is available, it will be identified on the Fee Statement.

You are required to make full payment of the notified instalment amount by the relevant due date as identified on the front of this Fee Statement.

### Your Receipt

Your receipt will contain advice on what you need to do after payment. It will specify the number of hours you are studying each week which you will need to apply for Centrelink benefit and travel concession entitlements. Once you have paid or have a TAFE NSW fee exemption approved, a receipt will be emailed to you and you can access your receipt through your Learner Portal. If you do not have internet, contact your local college for assistance.

### Withdrawals

If you do not wish to proceed with your studies, you must formally advise your campus and complete a TAFE NSW Withdrawal/Refund Application form, available at your campus of enrolment or online at the TAFE NSW and Institute websites. Your completed Withdrawal form should be returned to your campus of enrolment IMMEDIATELY as eligibility for refund or partial refund of fees may be affected.

When you withdraw from your Smart & Skilled studies you will be asked to identify if you are deferring your studies or discontinuing your studies.

You can defer your studies up to 12 months from your formal application to withdraw. If you return to your studies within the 12 month period, your Student Fee (or Concession fee) instalment amounts will not change. Your instalment schedule will be amended.

### Learner Privacy

To facilitate the payment process, personal information including details of students' names, address, TAFE NSW product information and outstanding fees is disclosed to the Westpac Bank. This information is disclosed on the agreement that it is not used by the Westpac Bank for any purpose other than the administration of the payment process.

The provision of this information requested on this form is not required by law however, if you do not provide all or any of this information, then your enrolment with TAFE NSW may not be able to be processed. Personal information will be stored securely. You may access and/or correct any personal information provided at any time by contacting your TAFE NSW campus administration or by using TAFE NSW Learner Portal.

If you do not return within this 12 month period, your enrolment will be amended to show you as 'withdrawn and discontinuing' your study.

You can withdraw and discontinue your studies. If you wish to return to complete your studies, you will be reassessed against the Smart & Skilled eligibility and entitlement criteria, current at that time, to determine your Student fee or eligibility for a Concession fee or fee exemption.

### Refund Conditions

Refund or partial refund of the *Smart & Skilled* Student Fee may be given in the following circumstances:
